DIRECTORS' REPORT

The directors present this report on Spinal Cure Australia ("the entity") for the financial year ended 30 June 2016.

Directors

The names of each person who has been a director during the year and to the date of this report are:

Mr Stewart Yesner	Mr Gary F Allsop
Ms Joanna M. Knott	Dr Stella Engel - stepped down 2 Sept 2015
Professor Perry F Bartlett	Mr Gabriel McDowell
Mr Duncan Adams	Dr Sachin Shetty - appointed 27 Nov 2015
Mr Duncan JS Wallace – appointed 7 Mar 2016	

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The principal activity of the entity during the financial year was to continue working towards ending the permanence of paralysis caused by spinal cord injury ("SCI"), and to achieve this through

- Promoting and funding research
- Fostering co-operation between all disciplines engaged in central nervous system research, regeneration and direct relief
- Monitoring progress of all research projects funded by or through the entity
- Co-operation with international efforts in the field
- Dissemination of information about developments in research.

The entity's short term objective is to fund SCI related research fellowships and other relevant SCI related projects.

The entity's long term objective is to find a cure for the physical consequences of SCI.

To achieve the objectives, the entity has adopted the following strategies:

- Increase our donor base through marketing and dissemination of SCI relevant information
- Raise funds and awareness through fund raising events
- Cultivate partnerships with business and corporations
- Lobby State and Federal government in matters relating to funding and legislation of neurological research and SCI treatment.

The entity's Key Performance Indicators include:

- Net percentage of received money that is actually applied to appropriate projects
- Increase in number of people opting to receive newsletters, electronic mailings and social media feeds
- Amount of funds allocated by governments to neurological medical research.

Meetings of Directors

During the financial year 5 meetings of directors were held. Attendances by each director were as follows:

Directors	Directors' Meetings	
	Number Eligible to Attend	Number Attended
Mr Stewart Yesner	5	3
Ms Joanna M. Knott	5	5
Professor Perry F Bartlett	5	4
Mr Gary F Allsop	5	5
Dr Stella Engel (resigned 2.9.15)	1	-
Mr Gabriel McDowell	5	4
Mr Duncan Adams	5	5
Dr Sachin Shetty (appointed 27.11.15)	2	2
Mr Duncan Wallace (appointed 7.3.16)	1	1

DIRECTORS' REPORT

Information on Directors

Name	Qualifications, Experience & Occupation	Director since
Mr Stewart Yesner	AM, BA(Hons) law, Solicitor	24/9/98
Ms Joanna M. Knott	BA, MBA; MPRIA, OAM, Chair, Spinal Cure Australia	10/12/97
Professor Perry F Bartlett	FAA, Director of Queensland Brain Institute, Foundation Chair of Molecular Neuroscience, University of Queensland	8/12/97
Mr Gary F Allsop	Advocate, Lobbyist	9/8/00
Dr Stella Engel	MBBS, DPRM, FAFRM, Director, Rehabilitation and Spinal Medicine, Prince Henry and Prince of Wales Hospitals	29/9/08
Mr Gabriel McDowell	BA, Managing Director Res Publica Public Relations	29/9/08
Mr Duncan Adams	CA, BFA, FFSIA. Chartered Accountant; Secretary, Spinal Cure Australia; Director, Astra Apartments Canberra	5/12/12
Dr Sachin Shetty	MBBS, MD(PMR), FAFRM(RACP), FFPM(ANZCA) Director, Spinal Injuries Unit, Prince of Wales hospital Conjoint Senior Lecturer, UNSW	27/11/15
Mr Duncan Wallace	BSc (Hons), Executive Director and CEO, Spinal Cure Australia	7/03/16

Members' Guarantee

The entity is incorporated under the *Corporations Act 2001* and is an entity limited by guarantee. If the entity is wound up, the constitution states that each member is required to contribute a maximum of \$25 each towards meeting any outstanding obligations of the entity. At 30 June 2016, the total amount that members of the entity are liable to contribute if the entity is wound up is \$350 (2015:\$350).

Auditor's Independence Declaration

The auditor's independence declaration for the year ended 30 June 2016 has been received and can be found on page 3.

Signed in accordance with a resolution of the Board of Directors:

Directors

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

1 Summary of Significant Accounting Policies

Basis of Preparation

Spinal Cure Australia applies the Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards* and AASB 2010-2: *Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements*.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of Australian Accounting Standards Board (AASB) and the *Australian Charities and Not-for-profits Commission Act 2012*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue on 24 November 2016 by the directors of the entity.

Accounting Policies

(a) Revenue

Grant revenue is recognised in the statement of comprehensive income when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue is deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Revenue from rendering of service is recognised upon the delivery of the service to the customers.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, accumulated depreciation and impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Plant and equipment that have been contributed at no cost, or for nominal cost are valued at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<i>Class of Fixed Asset</i>	<i>Depreciation Rate</i>
Office equipment	37.50%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

(d) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(e) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instruments. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (ie trade date accounting). Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through profit and loss in which case transaction costs are expensed to profit and loss immediately.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

(e) **Financial Instruments (cont.)**

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between the initial amount and the maturity amount calculated using the effective interest method.

Financial assets at fair value through profit or loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking, where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying amounts being included in profit or loss.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investment in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (ie gains or losses) recognised in other comprehensive income (except for impairment losses and foreign exchange gains and losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit and loss.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the profit or loss. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

(f) Financial Instruments (cont.)

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(g) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in profit or loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an assets class, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

(h) Employee Benefits

Short-term employee benefits

Provision is made for the entity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The entity's obligation for short-term employee benefits such as wages, salaries and sick leave are recognised as part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The entity classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the entity's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The entity's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the entity does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which the obligations are presented as current liabilities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2016

(i) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(j) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, and other short-term highly liquid investments with original maturities of six months or less.

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivable or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

(l) Critical accounting estimates and judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

(m) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Provision for Long-term employee benefits

Employee provisions represent amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the entity does not expect the full amount of annual leave classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the entity does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

DIRECTORS DECLARATION

In accordance with a resolution of the directors of Spinal Cure Australia, the directors of the entity declare that:

1. The financial statements and notes as set out on pages 4 to 18 are in accordance with the *Australian Charities and Not for Profits Commission Act 2012* and:
 - (a) comply with Australian Accounting Standards; and
 - (b) give a true and fair view of the financial position as at 30 June 2016 and of the performance for the year ended on that date of the entity;
2. In the directors' opinion there are reasonable grounds to believe that the entity will be able to pay its debts as and when they become due and payable.

Declaration in respect of fundraising appeals

In the opinion of the Board:

- (a) the accounts give a true and fair view of all income and expenditure with respect to fundraising appeals for the financial year ended 30 June 2016;
- (b) the statement of financial position gives a true and fair view of the state of affairs of the company with respect to fundraising appeals as at 30 June 2016
- (c) the provisions of the Charitable Fundraising Act 1991 (NSW), the Regulations under the Act and the conditions attached to the authority have been complied with for the financial year ended 30 June 2016; and
- (d) the internal controls exercised by the company are appropriate and effective in accounting for all income received and applied by the entity from any of its fundraising appeals.

This statement is signed for and on behalf of the Board by:

Directors

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

**SPINAL CURE AUSTRALIA
ABN 66 064 327 448**

Report on the Financial Report

We have audited the accompanying financial statements of Spinal Cure Australia (the entity) which comprises the statement of financial position as at 30 June 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not for Profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Not for Profits Commission Act 2001. We confirm that the independence declaration required by the ACNC Act 2012, provided to the directors of Spinal Cure Australia would be in the same terms if given to the directors as at the date of this auditor's report.

Auditor's Opinion

In our opinion, the financial report of Spinal Cure Australia is in accordance with the Australian Charities and Not for Profits Commission Act 2012, including:

- (i). giving a true and fair view of the entity's financial position as at 30 June 2016 and of its performance for the year ended on that date; and
- (ii). complying with Australian Accounting Standards- Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.

We also report that:

- (a) the financial statements show a true and fair view of the financial result of fundraising appeals conducted during the year;
- (b) the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the Regulations;
- (c) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- (d) at the date of this report, there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.
